## Raining day, snowing day

Werner Hasler

```
Raining day, snowing day, c
Raining day, snowing day, c
anyway, Jesus loves you.
```

```
He will put his light in your heart.

He will put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your heart.

In the mill put his light in your hear
